BOARD OF FINANCE MEETING MINUTES June 24, 2024 at 7:30 p.m.

JUL 05 2024

BRANFORD TOWN CLERK

A regular meeting of the Board of Finance was held on June 24, 2024 at 7:30 p.m. at Fire Headquarters, 45 North Main Street, Branford, CT. The meeting was also available for remote public viewing via BCTV and Facebook Live.

Board members seated were: Chairman Joseph Mooney, Victor Cassella, Harry DiAdamo, Pamela DeLise, Jeffrey Vailette. Also present were First Selectman James Cosgrove, Finance Director Jim Finch, Assistant Finance Director Kathryn LaBanca. Town Clerk Lisa Arpin was excused at 8:00 pm. RTM reps Maryann Amore, Tracy Everson, John Hartwell, Frank Twohill and Alisa Waterson. Also Peter Berdon, Robert Imperato, Harry Smith, Dr. Christopher Tranberg and Blaize Levitan.

1. The minutes of the May 20, 2024 meeting were approved unanimously by motion from Mr. Vailette, seconded by Ms. DeLise.
2. Citizen's Communication -- None
3. The Board heard a request from the Superintendent of Schools to establish a non-lapsing account as per Sec. 10-248a "Unexpended education funds account." Chairman Mooney read the corresponding resolution and noted in order to facilitate the request, \$437,735 would be transferred out of fund balance into Operating Transfers Out Fund for the same amount, and establish a Board of Ed non-lapsing fund with the transfer in of \$437,735; an authorization to spend it on non-personnel. Memos of understanding were provided to the Board by the Finance Director and the Superintendent of Schools. The Board was aware of this and cut the \$437,735 from the BOE budget with the concept that this would be forthcoming.

Finance Director Jim Finch began the presentation by outlining his memo and the backdrop of budget solutions going back to FY23, followed up by Superintendent of Schools Dr. Chris Tranberg who introduced Blaize Levitan, recently-hired Chief Operating Officer of Branford Public Schools, and noted Peter Berdon BOE Chairman is present in the audience. This is a FY24-25 request to fund the Effective School Solutions (ESS) program that provides support for students with significant social and emotional and mental health challenges.

Dr. Tranberg thanked the Board and Finance Director for their willingness to entertain creative problem solving.

Mr. Valette made the motion to approve the following transfer and resolution, seconded by Mr. DiAdamo. Vote unanimous.

General Fund FY2024

-----------------	-------------	-----------

25548000-588040	BOE Non-Personnel	\$437,735
-----------------	-------------------	-----------

RESOLVED: The Board of Finance in accordance with Connecticut General Statutes (CGS) 10-248a, will establish a non-lapsing account for unspent Board of Education operating funds from FY2024 in an amount not to exceed \$437,735. These funds will be used to provide mental health services and substitute staffing which were previously funded through pandemic relief grants.

4. The Board heard an update from the Superintendent of Schools and Blaize Levitan on the planned roof project at Branford High School. Mr. Levitan talked about the strategic roofing assessments of the project and the drastic increase in water penetration over the last year and a half. Antinozzi Associates is bringing in structural and hazardous engineers during the summer break for a final assessment to understand the scope of the issues and what approach to take. They will also be doing a cost estimate. There are 22 roofing systems with 17 flagged in need of replacement with a previous historical very rough project estimate in the \$4 to \$5 million area, but will be north of that. A successful temporary fix is now in place, and the full project work is proposed to commence next summer.

Chairman Mooney noted his disappointment with the current emergency situation, as the Board has always been supportive of proactive BOE capital projects. Further, he noted previous discussions with prior BOE administration indicated the BHS roofing was adequate, however, now we are faced with a roofing emergency. No action was taken, and the Board was given assurance by Mr. Levitan that looking at the facility master plan is a current goal.

5. Town Planner Harry Smith presented the transfer request for the Planning & Zoning budget for FY2024:

From:		
10141130-533280	Consulting	(\$12,500)
To:		
10150000-555110	Transfer to Capital Fund 700	\$12,500

Capital Fund - Appropriation Increase

Increase:		
70090000-490010	Transfer in	\$12,500
Increase:		
70041130-533280-xxxxx	Consulting-Zoning Regulations Update	\$12,500

Mr. Cassella made the motion to approve the transfer, seconded by Mr. Valette. Vote unanimous.

RESOLVED: That the Board of Finance recommends to the RTM the approval of a \$12,500 transfer in the P&Z budget for FY2024.

6. Finance Director Finch presented this transfer on behalf of General Government Buildings (GGB) for FY2024. The contingency balance after approval of this agenda's item is \$1,262,088. First Selectman Cosgrove gave additional input, and will update the Board as to any possibility of recovery of funds by manufacturers of A/C systems.

From:		
10149040-588802	Contingency	(\$48,000)
To:		
10141170-544300	Purchased Service Repair & Maint.	\$48,000

Mr. Valette made the motion to approve the following transfer and resolution, seconded by Mr. DiAdamo. Vote unanimous.

RESOLVED: That the Board of Finance recommends to the RTM the approval of a \$48,000 transfer in the GGB budget for FY2024.

7. The Board heard the following transfer request presented by the Tax Collector for FY2024:

From:		
10141070-588720	Tax Refunds	(\$21,000)
To:		
10141070-518000	Overtime	\$21,000

Mr. Cassella made the motion to approve the transfer, seconded by Ms. DeLise, and the vote was unanimous.

RESOLVED: That the Board of Finance recommends to the RTM the approval of a \$21,000 transfer in the Tax Collector budget for FY2024.

8. To hear a request from the Tax Collector to approve the Suspense List for the 2018 Grand List Year for Motor Vehicle, Motor Vehicle Supplemental and Personal Property.

Tax Collector Robert Imperato presented the suspense list totaling \$76,402 of which motor vehicle is \$60,633, motor vehicle supplemental is \$11,893 and personal property of \$3,876. Mobile homes will be presented at a later date. Mr. Vailette made the motion to approve the suspense list, seconded by Mr. DiAdamo, and the vote was unanimous.

RESOLVED: That the Board of Finance approves the 2018 Grand List Suspense List for Motor Vehicle, Motor Vehicle Supplemental and Personal Property in the amount of \$76,402.

9. Per Chapter 42 of the Town Code, provide to the Board of Selectmen an advisory review of a Power Purchase Agreement between the Town and CT Green Bank for a solar array located at 100 Tabor Drive (Ecology Park.)

First Selectman Cosgrove presented the Ecology Park solar array for the southern end of the former landfill, keeping the footprint as per land use approvals and the landfill closure plan. The contract is under legal review by Town Counsel, and will go before the Board of Selectmen next week.

After Q&A discussion, Mr. Vailette made the motion to approve the resolution, seconded by Mr. Cassella. Vote unanimous.

RESOLVED: That pursuant to Chapter 42 of the Town Code, the Board of Finance issued a favorable review to the Board of Selectmen to enter into a power purchase agreement between the town and the Connecticut Green Bank for a solar array at Ecology Park. This favorable review is contingent upon counsel's examination of the contract.

10. Adjournment -- There being no further business brought before the Board, the meeting was adjourned at 8:20 p.m. on a motion by Mr. Vailette, seconded by Ms. DeLise.

Non-Lapsing Fund

Pursuant to Connecticut General Statutes (CGS) 10-248a, please consider this a request to establish a non-lapsing account for unspent Board of Education operating budget funds in an amount not to exceed \$437,735. Through close coordination with the Town, we anticipate that these funds will be available following the FY23-24 close out of the Board's operating budget.

The Board of Education is projecting budgetary savings in the current fiscal year ending June 30, 2024, primarily due to changes in the CMERS (pension) contribution rates, and other surpluses.

The Board of Education would like to retain these funds for the purpose of funding mental health services through an arrangement with Effective School Solutions and for supporting substitute staffing through Kelly Services.

District Leadership will be available at your meeting to discuss this request in more detail.

This Memorandum of Understanding (or MOU) is made on 6/24/2024, by and between the Branford Board of Education (the "Board of Education") and the Town of Branford (the "Town").

WHEREAS Connecticut General Statutes (CGS) 10-248a authorizes Towns to establish a non-lapsing account for unspent Board of Education operating budget funds, in an amount not to exceed 2% of the Board of Education budget, and

WHEREAS the Board of Education is projecting budgetary savings in the current fiscal year ending June 30 2024, as a result of changes in CMERS and other employment savings, and

WHEREAS the Board of Education has expressed an interest in retaining these funds pursuant to CGS 10-248a for the purpose of funding critical mental health and staffing needs.

Purpose

The purpose of this MOU is to establish an agreement for the setting-aside and future use of unspent Board of Education General Fund appropriations in a non-lapsing account for use in the subsequent fiscal year.

Cooperation

The Town of Branford agrees to appropriate unencumbered and available FY2024 Board of Education operating funds, in an amount not to \$437,735, in a non-lapsing account which will remain available until all funds are either spent or re-appropriated by agreement of both parties.

The Board of Education agrees to spend said funds towards education-related mental health and staffing services. The Board of Education will provide a final report to the Town upon the closeout of this non-lapsing account. For the purposes of state reporting, these expenses will be reflected in FY25, not FY24.

Term of Agreement

This agreement shall remain in effect until all funds set through this agreement have been expended. or re-allocated.

Re: BOE Budget 2024

One of the common themes this past year was navigating the fiscal cliff in the BOE budget which in part was caused by the phasing out of pandemic relief funding. A competing theme was also expressed to school leadership that in recognition of these challenges the town would be inclined to support a 4% increase in school spending. Currently the BOE is looking for a 4.77% increase. As the board may recall, when asked about the current year operations during the budget presentations the superintendent indicated that the BOE should experience a surplus in excess of \$400,000. This is plausible in that unlike the municipal budget the FY 2024 budget was not reduced pursuant to the CMERS pension changes. While the board has historically resisted allowing the BOE to carry over balances in a non-lapsing account, I believe this approach could bridge the budgetary goals of the town by reducing the BOE's request while protecting the superintendent's initiatives. I have listed below an excerpt from the statute that permits the creation of a non-lapsing account.

Sec. 10-248a. Unexpended education funds account. For the fiscal year ending June 30, 2020, and each fiscal year thereafter, notwithstanding any provision of the general statutes or any special act, municipal charter, home rule ordinance or other ordinance, the board of finance in each town having a board of finance, the board of selectmen in each town having no board of finance or the authority making appropriations for the school district for each town may deposit into a non-lapsing account any unexpended funds from the prior fiscal year from the budgeted appropriation for education for the town, provided (1) such deposited amount does not exceed two per cent of the total budgeted appropriation for education for such prior fiscal year, (2) each expenditure from such account shall be made only for educational purposes, and (3) each such expenditure shall be authorized by the local board of education for such town.

In discussing the BOE's projected surplus Dr. Tranberg appropriately cautioned that his projection was preliminary. Therefore, a reasonable approach at this time would be to offset any BOE reductions with an expression of support for establishing a non-lapsing

account. The amount and use of these funds can be worked out later this spring for the board's consideration at a future meeting when the year end results come into focus. I should note that in effect this exercise prevents the flow of unspent funds into the fund balance. However, the fund balance is currently at a level that will support this carry over.

Re: Transfer Request

I am writing to request the following transfer from consulting services to allow this fiscal year's funding to be used for an update to the Basic Standards (Section 6) and several other sections of the Zoning Regulations as a multi-year capital project. The Basic Standards section includes requirements with which applications for new development and re-development must comply (stormwater drainage, parking, lighting, landscaping, etc.). They have not been updated for almost ten years and are outdated.

Therefore, I have drafted the following transfer for your consideration.

We were recently notified that the system that cools air in the information technology's server room (located at police headquarters) was beginning to fail. As you are all aware heat and computers do not mix. The combination of a failing system with summer upon us required an immediate solution to avert a potential crisis.

Consequently, we encountered a similar dilemma at the Community House with a failed cooling system. In addition to offering senior programming the Community House is utilized as one of Branford's cooling centers during extreme heat events.

Reasons for Additional Overtime Charged to the Tax Office

The Tax Office has been involved in several critical projects that required additional overtime to ensure their successful completion. The following are the key reasons for the extra hours:

1. Town Financial Audit Report:

- **Collaboration with Finance Group:** Worked closely with the finance team on the town's final audit report as it relates to the Tax Office.
- **Locating Missing Tax Documentation:** Invested significant time in locating and organizing missing tax documents.
- **Reconciling Account Issues:** Addressed and corrected various account discrepancies to ensure accuracy for the fiscal year.

2. Court-Ordered Settlement Reconciliation:

- **Engagement with Finance Group:** Assisted the finance group in reconciling payments to comply with a court-ordered stipulation for a large settlement.
- **Account Adjustments:** Managed adjustments for over 500 accounts, ensuring each conformed to the stipulation.
- **Time-Sensitive Project:** This project was particularly time-sensitive due to its proximity to an audited deadline, necessitating additional overtime to meet the requirements.

3. Implementation of New Lockbox Vendor and Deposit Bank:

- **Startup Issues:** The transition to a new lockbox vendor and deposit bank encountered numerous startup issues that required extra hours to resolve.
- **Process Stabilization:** Ensured the stabilization of processes with the new vendor and bank to maintain smooth operations.

4. Engagement with Third-Party Collection Enforcement Company:

- **Collection of Older Accounts:** Engaged a new third-party collection enforcement company to recover older accounts.
- **Coordination and Adjustments:** Coordinated efforts with the third-party company and made necessary adjustments to account records to facilitate efficient collections.

5. Staff Shortage Due to Illness:

- **Reduced Staff Availability:** The department experienced a staffing shortage due to an illness affecting key team members for 8 weeks.
- **Increased Workload:** The remaining staff had to work additional hours to cover the increased workload and maintain essential operations.

The additional overtime was crucial to meet deadlines, ensure accurate financial reporting, and maintain operational efficiency during transitions, reconciliations, and staff shortages.
