

Feed the Earth!

Branford residents have the opportunity to participate in a food scrap drop off program at the Transfer Station. The Town's partner, Blue Earth Compost, will collect it, turn it into compost and renewable energy.

The program is free of charge and will help the Town become more environmentally friendly. Just bring your food scraps in a container or compostable bag to the Transfer Station and deposit them into the specially marked containers. To learn more, contact Diana McCarthy-Bercury - (203) 315-0637 or dbercury@branford-ct.gov

What Can I Compost?

Meat and bones Fish and shellfish Dairy products Egg shells

Vegetable and fruit scraps

Pits and peels Condiments and spices

Pasta, bread, and cereals

Paper napkins

Cont'd

Coffee grounds, filters, and tea bags Plants, herbs, and flowers Incidental oils and fats Dirty Pizza boxes

Clean and place loose in the blue bin.

No scrap metal, pots or pans No coat hangers No paint cans or aerosol cans No extension cords No propane tanks No plastic bags or plastic film

Rigid Plastic Containers, #1 thru #7:

Food and beverage containers (yogurt containers, laundry jugs, milk jugs, etc.)

Check to make sure the number in the small triangle on the container shows the type of plastic #1 - #7

Clean and place loose in the blue bin.

No motor oil, pesticide bottles, laundry baskets, large items, toys, planters, etc. No Styrofoam No plastic bags or plastic film No black takeout food containers No plastic envelopes, bubble wrap or packaging peanuts

RECYCLING IS STATE LAW. PLEASE DO NOT mix recyclable material in your garbage.

For questions or information, visit the Solid Waste & Recycling page at https://www.branford-ct.gov/departments/solid-waste-recycling or call (203) 315-0622

Curbside Garbage & Recycling Collection Routes

Please make sure your materials are to the curb by midnight before your collection day.

When there is a holiday that falls on or before your collection day there will be a one-day delay. In this case, place your materials at the curb the next day. Never use plastic bags for recycling or leaf collection.

Any questions or issues? Give us a call at 203-315-0622

| - | ALL COLLECTIONS ARE DELAYED ONE DAY AFTER A HOLIDAY |

MATTRESS RECYCLING

Through the Mattress Recycling Council, the Transfer Station hosts a free mattress and box spring recycling container for residential drop-off. The mattresses cannot be excessively wet, severely twisted or crushed, infested with bed bugs, or exceptionally soiled or moldy. Residents must stack their mattress in the container to maximize the limited container space.

DON'T JUDGE, JUST DONATE!

Your clothing and textile items do not have to be in a wearable condition to be donated. They simply need to be clean and dry. Only one half of all textile donations are reused as clothing, the remainder is recycled into rags, seat stuffing and/or insulation.

You can donate a single shoe or a holey sock, old clothes; sheets, blankets, drapes, tablecloths, towels, etc are all recyclable! We encourage you to use the textile deposit boxes at the Transfer Station.

LEAF AND YARD WASTE COLLECTION

During the fall and spring seasons (please see calendar) the hauler collects leaves curbside. For the leaves to be collected, they must be in a brown paper leaf bag or loose in a garbage

Yard waste other than grass clippings or leaves can be put out with your garbage throughout the year: Use plastic bags, place loose in a barrel, or tie into 3-foot bundles with string. Limit 3 per collection.

Never place your yard waste in paper lawn and leaf bags. These are for leaves only and may result in your yard waste being left behind by the haulers.

HOUSEHOLD HAZARDOUS WASTE

www.rwater.com/hazwaste 203-401-2712

Since 1989, the Regional Water Authority through HazWaste Central has properly disposed of over 100 million gallons of household hazardous waste like pesticides and toxic cleaners from residents for free to prevent them from contaminating our drinking water.

Some Items You Can Bring to HazWaste Central

Auto Batteries Batteries Flourescent Bulbs Drain Cleaner Driveway Sealer Gasoline Heating Oil Kerosene

Mercury Oil Oil-Based Paint **Paint Thinner**

PCB Material Pesticide **Pool Chemicals** Propane

Latex Paint Cylinder (1lb.) Lead Paint **Wood Stripper**

Paint Recycling

Did you know that you can easily recycle your old unwanted paint? Through Connecticut's Paint Stewardship Law, manufacturers have created PaintCare which has set up drop-off sites throughout the state where consumers can take their unwanted paint.

PaintCare sites accept all brands of old house paint, stain and varnish even if they are 20 years old! To find your nearest drop-off site, go to www.paintcare.org, call their hotline at (855) 724-6809.
